MULTI-YEAR GUARANTEE ANNUITY
SAFETY & SECURITY WITH OPTIONS

THE **EQUITABLE** **SECURE SAVINGS™ SERIES** **MAY BE A GOOD FIT** **IF YOU ARE LOOKING FOR:**

GROWTH YOU CAN COUNT ON

Your premium will earn a guaranteed compound rate of interest for the guarantee period you choose, regardless of how the stock market performs. This guarantee period can be 2 or 5 years.

WITHOUT A LONG COMMITMENT*

After the initial 2- or 5-year guarantee period, you will have the opportunity to access the full value of your annuity. If you are pleased with your growth, you can continue your contract for another guarantee period.

PRINCIPAL PROTECTION

Are you tired of stock market ups and downs? Your funds in the Secure Savings™ annuity are 100% principal protected. As long as you keep your annuity for the guarantee period, your principal and interest earned are fully guaranteed.

TAX DEFERRAL

All interest earned is tax deferred. You won't pay taxes on any interest until you access the funds in your annuity.

ACCESS TO FUNDS FOR LIFE'S CURVEBALLS

Liquidity options may be available depending on the product and guarantee period chosen. After the guarantee period, you can always access the full account value of your annuity.

INCOME OPTIONS

Upon maturity and at the end of each guarantee period, you can convert your annuity into a guaranteed income benefit.

WEALTH TRANSFER

The full account value is available to your loved ones after your death. If your spouse is your beneficiary, then he or she can always choose to continue the policy.

*See Page 7 for restrictions.

GET STARTED IN THREE EASY STEPS:

1. Determine how much you would like to save.

You can purchase the annuity with a minimum single premium of \$10,000. Contributions larger than \$500,000 require home office approval.

2. Decide if you would like the **Secure Savings™** or the **Secure Savings™ Elite**.

The **Secure Savings™** offers strong guaranteed interest crediting paired with built-in liquidity options and full account value payable at the death of the owner.

The **Secure Savings™ Elite** offers a higher credited rate than the **Secure Savings™** and allows you to customize the product to best fit your unique needs. Full account value is payable at the death of the owner. Liquidity options are available for a lower credited rate.

3. Choose your guarantee period.

You can select the guarantee period that best suits your financial goals. The longer the guarantee period, the higher the guaranteed compound interest rate.

Equitable Secure Savings™ with Wealth Transfer options.

Equitable Secure Savings™ includes a death benefit that guarantees your beneficiary will receive the annuity's full account value. It will be paid as long as an income option has not been elected.

***If you're looking to maximize your interest rate and want to tailor the product to fit your needs, the Secure Savings™ *Elite* is for you.**

The Secure Savings™ *Elite* is the right choice for you if you already have access to funds in times of emergency and are looking for:

- The highest guaranteed interest rate
- Full control & the ability to choose only the withdrawal features you need
